

Executive Summary

2022 Was another year of growth at Blueprints. After an exciting period of expansion in 2021, we prioritized stabilization and internal programmatic and operations enhancements. The expanded Administration Team has allowed us to capitalize on new and unique opportunities and continue to prioritize improvement projects that weren't viable until 2022. We continue to prioritize accessibility and quality, and expect to launch dramatic programming improvements in 2023.

Governance

Christopher Dreisbach is the President and Sole Owner of Blueprints for Addiction Recovery, Inc.

2022 Goals

Throughout 2022, we effectively met the following strategic goals:

- ❑ Expand our contracted network to include access to all levels of care for members in Lancaster, Lebanon, Dauphin, Perry, Cumberland, York, Adams, Berks, and Chester Counties.
- ❑ Expand our program capacity to accommodate over 70 clients in The Chapters Program
- ❑ Enhance our co-occurring capabilities to deliver more consistent psychiatric and medication management supports.
- ❑ Expand diversion programs and services throughout south central PA.
